## The Brady Brief - Social Security Workshops

Dear Friend,

In June and July of this year, the Social Security Administration (SSA) will be conducting a variety of financial workshops at its Center City and South Philadelphia branch locations, and I wanted to be sure to bring them to your attention. These workshops will provide information that is critical to your economic health. The topics that will be covered at these workshops are:

- **Understanding Retirement and Family Benefits** workshop will focus on how to schedule your retirement so that you can receive optimum benefits
- **Working While Disabled** will discuss the range of benefits and possibilities that can occur while you are disabled
- **Understanding the Disability Process** workshop will explain how the disability process works

In addition, a representative of the SSA will discuss a wide range of Electronic Services that this agency provides for you. A public Question and Answer Session will be held at each workshop. The following lists the dates and times of these critical and informative workshops.
